

INUIT SUMMER STUDENT EQUITY PROGRAM

Qulliq Energy Corporation (QEC) has revamped its summer student employment program. Whether you are looking for career options, require some work experience or just need to save a bit of money before returning to school. The Inuit Summer Student Equity Program (ISSEP) may fit your need.

The ISSEP Committee is accepting resumes from students in four communities; Baker Lake, Cambridge Bay, Rankin Inlet and Iqaluit. If you are a student in high school, college, university, or in any educational program for the fall of 2009, this program applies to you!

No applications required, just send your resume to:
